CLASSROOM PARTNER PROGRAM

Empowering Learning, One Classroom at a Time

ABOUT CITY ACADEMY

MISSION AND BELIEFS

City Academy transforms children, families, and our community through exceptional education and bold expectations that empower children to overcome barriers. The school was founded in 1999 by Don Danforth and Duncan Marshall on the belief that all families deserve access to affordable, high-quality academic programs regardless of income or zip code. We are the only private, independent elementary school in St. Louis and Missouri that provides scholarship support to 100% of our scholars.

EXCEPTIONAL EDUCATION

City Academy faculty are specialists in their subject areas. Through this specialist model, City Academy scholars receive greater depth of instruction in a subject area that supports the level of academic rigor expected of students. Education and support for our scholars continues after graduation. Through alumni programs, City Academy's 311 alumni are provided with transition support to other independent, private schools; college readiness through our STRIVE for College Program in partnership with Washington University in St. Louis; and leadership development through community service and networking events.

CLASSROOM PARTNER PROGRAM

ABOUT THE PROGRAM

The Classroom Partner Program offers an exciting way for supporters to make a direct impact on the classrooms at City Academy by providing essential resources, from notebooks and pencils to science kits, creative supplies, and curriculum activities that spark a love of learning. Your sponsorship helps address the ongoing need for these critical materials, creating an environment that sets students up for success and supports teachers in their mission to deliver high-quality education.

From engaging kickoff activities—like "book tastings" where students sample a variety of books in a fun, restaurant-style setting—to everyday learning essentials, every contribution plays a vital role in building a thriving classroom environment. By ensuring that teachers and students have the resources they need, your support helps create opportunities for exploration, growth, and lasting excitement for learning.

HOW IT WORKS

1) Complete the Commitment Form

Choose your level of support by completing the Classroom Partner Commitment Form.

2) Make Your Gift

Submit your gift to formalize your support.

3) Classroom Assignment

You will be assigned a classroom(s) (3 year-olds - 6th Grade) at City Academy and notified of which classroom you will be supporting.
